

# Chinese Made Easy Second Edition 2012

*Chinese Made Easy* is a five-level course for learners who have little knowledge of Chinese. The complete series consists of five **textbooks** with **workbooks** and **audio CDs**. After completing this series, learners should reach an intermediate level with a vocabulary of approximately 900 Chinese characters and several thousand Chinese phrases.

*Chinese Made Easy*, now in its second edition, adopts an innovative and stimulating approach to teaching Chinese which has already made it one of the most popular secondary level Chinese texts in Australia.
