

Learn Chinese With Me 2012 Price List

Learn Chinese With Me is a series of textbooks designed for high school students. It varies from beginner to intermediate level, and about 2,000 Chinese words are included in the four Student's Books. The entire series of *Learn Chinese With Me* is composed of 12 books, including four Student's Books, four Teacher's Books, four Workbooks and listening audio CDs supplementary to the Student's Books.

FEATURES:

The functions & language points in each books is advanced in spiral cycles that overlaps sometimes to enable students to learn knowledge step by step.

Book 1 and Book 2 focus on spoken expression of single sentences; Book 3 and Book 4 are aimed at equipping students with oral skills so they are able to express themselves in a set of sentences while improving their reading abilities.

The Workbook can be used as self-learning materials and for classwork. There are interesting exercises for each lesson in the Workbook that change accordingly as the textbook's contents progress to a higher level.

The Teacher's Book provides teachers with introductions: for each unit and lesson, compiling principles, supplementary materials to each lesson in the Student's Book, teaching approaches, and language evaluation strategies.
