

Happy Chinese/Kuaile Hanyu Series

Latest Pricelist from **CHINA BOOKS** 2015

In accordance with updated requirements from the HSK Outline, Youth Chinese Test (YCT) Outline and the UK GCSE, the second edition of *Kuaile Hanyu* contains enriched content and increased vocabulary requirements. After completing *Kuaile Hanyu* Book 3, students will be prepared to pass HSK Level 3.

The new edition adds a "Chinese Culture" section. This new section achieves a good balance by covering both the essences of traditional Chinese culture as well as the developments of contemporary China, while also taking into consideration the interests of young students. Students will not only understand the basics of Chinese culture, but will also acquire the ability to communicate across cultures.

The second edition sets "Learning Objectives" to help teachers and students grasp lesson content and key points more clearly. These learning objectives are designed to expand students' knowledge, increase their motivation, and improve their ability to communicate in Chinese.
