ABOUT THE PRESENTER

Robert Chu is a Licensed Acupuncturist & Herbalist, who is a pre-eminent expert in the specialised system of Master Tung's Acupuncture. He is a renowned practitioner whose knowledge and mastery of Tung's Acupuncture effectively treats pain, sports injuries, and neuro-musculoskeletal disorders.

Dr Chu also specialises in the treatment of a wide variety of internal diseases including high blood pressure, high cholesterol, diabetes, women's health, and cancer support. His success as a clinician has also led Dr Chu to becoming the Acupuncturist for US Olympic athletes and teams.

Dr Chu lectures nationally and abroad providing continuing education to MD's & Acupuncturists. In 2004, he founded ITARA - International Tung's Acupuncture Research Association, to preserve, standardise, educate, and research new applications of the Tung style Acupuncture with integrity, and open sharing. ITARA has now grown with branches throughout the USA, Canada, Spain, UK and Finland.
